HATE DON'T SUFFER IN SILENCE – REPORT IT! CRIME

If you or someone you know is experiencing homophobic abuse, this is a Hate Crime.

You can report it, in confidence, directly to the police on 0131 311 3131.

We know you don't always want to go to the police to report a hate crime, that is why there are Remote Reporting agencies. These agencies allow you to report a crime which will then be forwarded to the authorities on your behalf, anonymously if you wish.

Visit www.saferedinburgh.org.uk for a full list of Remote Reporting agencies.
